

Wow! Look what you did!
A fantastic day to remember in Ungheni. Every Postie was
presented with a beautiful bicycle, all donated by
YOU!

YOU!
Can you spot yours?

What a beautiful project we have been involved in with the local Post Office in Ungheni. They asked us if we could help provide 18 bicycles for their postal workers across the region of Ungheni. The villages are so large that they are walking up to 25 km a day just to deliver post. **Thank you to all those that donated through The Love Moldova Foundation** Thank you to **Andrei Grițco, Secretary General, Ministry of Energy (seen here presenting the bicycles)** for bringing this need to our attention and thank you to **Carina Talpa, Director of Ungheni Post Office.** for such a beautiful collaboration.

A beautiful project from our associate partners AMOR Europe (<https://www.amoreurope.org/>) who gathered teenagers from UK,

Germany and Moldova to build this beautiful bungalow in just 10 days!

leaders from UK and Moldova **John Fudge, CEO Amor, Phil Hulks.**
AND Project managers seen here - missionaries, Samantha and Leo Sandu (below)

The images above are of the volunteer team blessing the house that they are about to hand over to the village family and also the current status of the house now, roof complete, walls finished , almost there...

Here is the young family, about to be handed the keys

Thank YOU!

YOU are the true enablers that are changing this nation, one person at a time.

Want to continue to change lives!

We couldn't be more thrilled to see both projects completed, lives changed forever both the residents of Moldova and the volunteers who dedicated their time and energy to make this happen.

Every blessing to all our wonderful supporters.
