The war continues to rage, people continue to be displaced and need our help in Moldova. The cost of living crisis is really biting now with fuel bills soaring and food prices escalating daily! We continue to supply food packages to those families who are massively disadvantaged, host families and refugees.

Many families have been helped to relocate acThanks for the newsletter. Beautifully written and I must say 'Lots of chocolate and prayers for hope and peace' is my favourite line!ross Europe, UK and even America. **You have provided for over 100 visas to be administered across the families who have migrated to other nations.** However, many families remain;constantly hoping that one day they may return to their homes in the Ukraine.

Please keep supporting Love Moldova

We hope you enjoy our latest news and that you will be really encouraged by all that YOU are achieving across this land. Across ALL generations and social disadvantages! YOU are making the difference, bringing Joy and comfort and hope to a forlorn nation. There is always hope as we look to the future and celebrate some "Good News" in the present!

Thanks to You, we were able to provide for a party for the **children in the refugee camp** in Moldova. They had fun for a day, performed a beautiful nativity scene and all left clutching a big bag of goodies!

We believe in empowering young entrepreneurs to establish small businesses in Moldova. Many graduated this year through the **Business School in Riscani**. We also celebrated with the teens from the business academy.

Thanks to You, the top three students were given a small start up fund to enable them to begin to establish their business in the local town.

We also **celebrated with the elderly at Casa Helen**, a place to call home for abandoned grannies. They had carol singers, gifts for Christmas, lots of chocolate and prayers for hope and peace.

We were contacted by the mayors office in Ungheni who wanted us to support **100 families, responsible for the care of disabled children and adults.** There is no social aid in Moldova and many of these families have to sell their possessions to pay for medical treatment, even their homes! They are really struggling in the current economic crisis.

Thanks to You, each family received a food box for which they were so grateful.

Please give and continue to be the change
