

***Welcome to The Love Moldova Foundation
Autumn News 2019***

"Love pursues blindly, unflinchingly and without end". Bob Goff

*At the end of an incredible year on behalf of the team at Love Moldova I'd like to **thank YOU** for your unflinching love and support. Please be excited as you read all that YOU have enabled in 2019. We hope and pray that as we move into 2020 your continued love and support will go with us to enable many more lives to be transformed!*

Love Moldova's mission is to improve life experiences through loving support, education and practical help; bringing hope to the hopeless through the good news of Jesus!

Here is the story of how YOU have enabled one young man whose

impressive growth journey is filled with passion to see Moldova transformed!

Here is Alex (Sandu) Melnic telling his story.....

*Alex has grabbed this opportunity with both hands and is **100% committed to his studies**, serving as part of team at Hillsong Campus and visioning to **plant the first Hillsong Church in Moldova!***

*Whilst **Alex has been working 20 hours a week** to fund his accommodation and other living costs, we are seeking a minimum of **£1500** to support his tuition fees next year.*

Can you help to enable his second year?

YES! I can

As you read on, I hope you will be as encouraged as we are, to keep on keeping on...

Launch of Business Residential Academy

A truly a momentous day after 4 years of dreaming, we finally get to have the Grand Opening of the Girls Academy. Huge congratulations to Charlotte and Johannes Petersen for their dedication and commitment to see this through to the finish. Huge thanks to YOU the donor, without whom this day would not have happened. **YOU are making history as you change the lives of young girls in Moldova, providing them with hope and a future. This facility enables a minimum of 12 young girls to receive further education and a vocational toolbox with the aim that they can set up their own businesses or gain a job where they can fully support themselves.**

In addition these young women are provided with a safe home far from the prying eyes of people traffickers. **The cost of residential accomodation for one girl is just £50 a month, can you help?**

Yes I'll do just that

Can you offer

- a skill,
- teach a seminar?

We need

- marketeers,
- web designers,
- business expertise,
- accounts etc.

Click here to get in touch if you can spare a weekend to deliver a seminar.

Homes for the Homeless!

In the summer of 2019, we helped to transform the lives of a family in Cornesti through partnering with Amor ministries to build a small bungalow for a homeless family. If you are interested in joining an inspirational team for 2020 then now is your opportunity.....

Casa Helen has a face lift before winter

Just three of our lovely ladies who are resident at Casa Helen. We are so grateful for the support both materially and financially for these special ladies who have no one to care for them. Thanks to YOU we

were able to give the walls a lick of paint in October before the harsh winter months set in. All the bedrooms were painted and the hallway and the kitchen. Providing the best possible environment for the most vulnerable of people groups.

Would you like to send a gift for one of our grannies this Christmas?

£10 would buy a pair of slippers, £5 a pair of thick tights, £20 a nice warm cardigan (That's the Moldovan economy) or for just £80 a month you could support a granny for a year!

YES!! I would like to provide a gift

Leo and Samantha Sandu & Family

We are thrilled to be able to support the ministry of the Sandu Family who are living and working with the poor, the lost and the broken. Leo and Samantha pastor a little church in Cornesti providing a feeding programme, daily for as many as 40 children. Taking care of the widows and the poorest families with food parcels and loving care.

Thanks to **YOU** we were able to send a gift to the Sandu children contributing towards their school fees for the last term of 2019.

We are seeking to send a further gift for 2020 which will secure fees for Jan-July. Can you help?

YES! I will support the children's school fees

If you are still reading then I am really impressed!

I would like to take this opportunity on behalf of The Love Moldova Team to wish you all a very Happy and Peaceful Christmas and a New Year, filled with Joy!

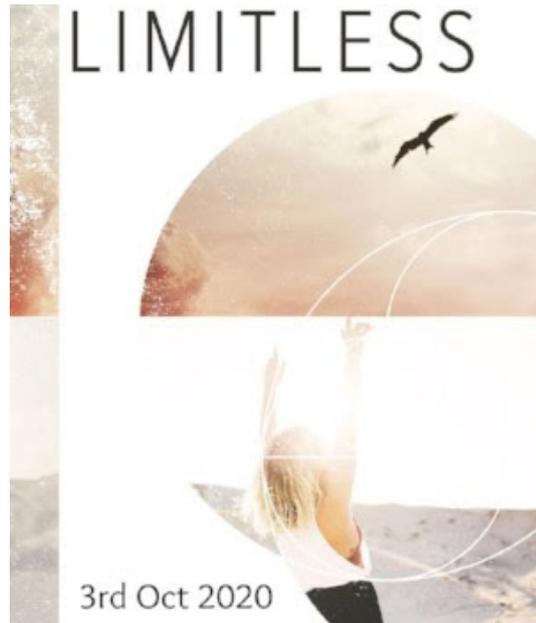

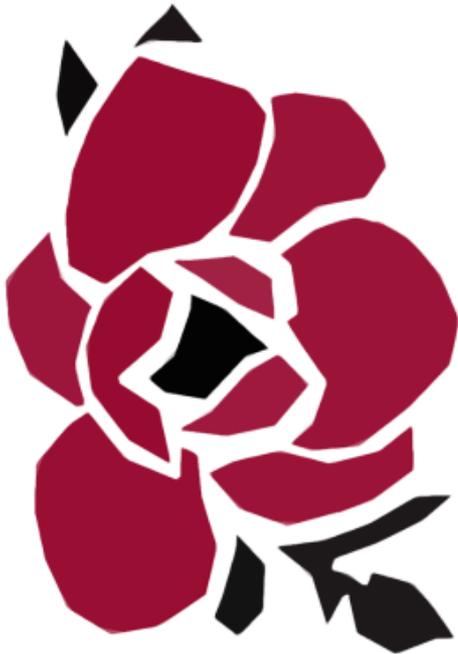

May your love and kindness spill over into the lives of many as we journey into
2020.

Every blessing in Jesus!

Yours

Sharon
